

CHANGE OF MAJOR OR PROGRAM

A student on an F-1 Visa may only stay in the country as long as the I-20 is accurate and valid. The I-20 is valid through the program completion date (item 5). If your major has changed or your degree level has changed, you must complete this form in order to receive a new I20. If you are completing a degree and have been accepted to a higher degree level, you must consult with your department admissions' officer. This form does not apply for those moving to a higher degree level. Please note that if changing your program will delay your program completion date, you must apply for an extension.
