COVER DESIGN CREDIT

2008-2009 Student Handbook cover design by SMU student Min G. Choi.

Dear students:

Welcome to the Southern Methodist University (SMU) Community! Whether you are entering for your first semester or returning to continue your studies, we are glad you are here. If you are a new student, we hope you will quickly find new friends and new opportunities for personal and intellectual growth.

The SMU Student Handbook is your guide to information and services available through your affiliation with SMU. It includes information related to your rights and responsibilities as members of the SMU community, both on and off campus.

The Handbook includes the Student Code of Conduct, the University Conduct Review Process, Honor Code, and information/expectations that SMU needs to communicate to its students.

You will be held accountable for adhering to the policies and procedures outlined in this Handbook, both on and off campus. Please become familiar with this information and let us know if you have questions.

Again, we are pleased that you are a part of the SMU community. We believe SMU offers much to its students, and we hope that you will take full advantage of all SMU has to offer you. We also look forward to what you have to contribute to our community.

Sincerely,

Lori S. White

Vice President for Student Affairs

OFFICE OF THE VICE PRESIDENT

Vice President for Student Affairs: Dr. Lori S. White

Ph: (214) 768-2821

The Division of Student Affairs is responsible for the oversight of educational and developmental programs in and out of the classroom settings at the University. The initial purpose of the Division is to support academic endeavors, however, it also works to extend what is learned in the traditional classroom into the free time and recreational activities of students. The Division is staffed by masters and doctoral degree professionals and a number of clerical and service personnel. Many students are also employed by the Division in positions of leadership in the residence halls and other activities areas. The sense of community for students is critical to student success inside and outside of the classroom. The many programs and services which are sponsored by the Division are directed towards the creation of a very close and lasting sense of community, which allows students to support each other while they grow through their shared college experiences.

STUDENT CODE OF CONDUCT

1.0 INTRODUCTION

SOUTHERN METHODIST UNIVERSITY'S Student Code of Conduct exists to identify and explain to the student body those University policies that most directly affect student life. Having voluntarily enrolled as students at Southern Methodist University and assumed a place in the University community, all students are presumed to be knowledgeable of, and to have agreed to abide by, the rules and regulations set forth in this Student Code of Conduct, both on and off campus. The Student Code is received and evaluated by the Student Senate, which is the legislative body representing student interests. The writing of the Student Code involves students, is for students, and is the expression of the student body's relationship to the rest of the University. Hence, the Student Senate may at any time make recommendations to the code and the senate shall be asked to endorse it. Changes to the Student Code adopted by the Student Senate are subject to approval by the President of the University.

Based on the action of the Board of Trustees, the President of the University is authorized, at his discretion, to review all decisions of the Student Senate and all other student organizations, and all decisions concerning University conduct, including the University Conduct Council and all other conduct bodies. Such review shall include the power to take any action deemed appropriate, including reversing, amending, or remanding with instructions concerning such decisions. The President's power of review as stated herein is not limited in any way, and the President is authorized to act at his/her sole discretion in conducting such review and in deciding what action is appropriate.

This Code is subject to the Articles of Incorporation and Bylaws of Southern Methodist University as well as any and all resolutions, policies, and regulations of the University. In the event of conflict between this Code and said Articles, Bylaws, resolutions, policies, and regulations of the University, the University Articles, Bylaws, resolutions, policy, and/or regulation in question shall be controlling. The University Policy Manual may be accessed through the SMU web page at smu.edu/policy.

When behavior is observed and/or reported to SMU personnel and is considered to be an immediate threat to the safety and security of anyone within the campus community, SMU may request assistance from the SMU Police Department to further assess and handle the situation, which may include, but is not limited to, the following immediate actions: arrest, detainment, eviction, or request to leave SMU property. In the event such immediate action is necessary, the SMU Police Department will follow up with the appropriate SMU office or outside authority or agency to determine next steps.

1.01 DEFINITIONS When used in the Student Code of Conduct:

3.0 GENERAL POLICIES

- 3.01 ALCOHOL** The University is dedicated to providing a healthy, safe, comfortable, and productive environment for students, faculty, staff, and guests. All members of the University community are expected to maintain self-control. Conduct should be consistent with ideals of academic excellence, health, and responsible social behavior, including recognition of the rights of others.

In recognition of the University's being owned by the South Central Jurisdiction of the United Methodist Church, community members are urged to adhere to the Social Principles of the United Methodist Church which states:

We affirm our long-standing support of abstinence from alcohol as a faithful witness to God's liberating and redeeming love for persons...Since the use of alcohol and illegal drugs is a major factor in crime, disease, death, and family dysfunction, we support educational programs encouraging abstinence from such use. (*The Book of Discipline of the United Methodist Church, para.66j*).

It is also recognized that Southern Methodist University is a community of free and open inquiry in which adults are encouraged to make responsible decisions in their lives; including abstinence from or careful use of alcohol. The University recognizes the freedom of conscience that determines such issues, but cautions that such freedom does not imply license to violate the law or University policy.

3.01(a) All members of the University community should at all times be cognizant of and comply with state and local liquor laws. It is illegal in the state of Texas and against University policy for any person under the age of twenty-one (21) to possess, purchase, or consume alcoholic beverages, except when with either a parent or adult spouse. Possession or consumption of alcohol is prohibited on University property except where expressly permitted. Consumption or possession of alcoholic beverages by minors, regardless of location, is a violation of this policy and of Texas law. Provision of alcohol to minors, other than where the law provides, is also prohibited. A violation of this policy subjects the offender(s) to the possibility of University disciplinary action and/or action by civil authorities.

3.01(b) The possession and consumption of alcoholic beverages in public places on campus is prohibited, with the exception of “The Boulevard” on home football game days, at times to be designated by the University President, for those persons twenty-one years of age or older. In addition, transportation and/or possession of more than 24 12-ounce bottles of beer or more than one quart of hard liquor, is considered prima facie evidence of intent to sell, and, therefore, evidence that the law has been violated. Alcoholic beverages that are transported into a dry area may not be transported back out of the dry area.

3.01(f) It is illegal in the state of Texas and against University policy for any person, regardless of age, to be publicly intoxicated. Public Intoxication is defined as “a person commits an offense if the person appears in a public place while intoxicated to the degree that the person may endanger him or herself or another.”

This includes, but is not limited to, the prohibitions against the use of all illegal drugs and the illegal use of alcohol. Team rules and/or persons under whose auspices or direction the trip is conducted may state additional expectations appropriate to the type and venue of a particular trip. When possible, such guidelines should be provided in writing to students prior to the beginning of the trip, but such is not required. The person(s) in charge of the trip may institute additional standards of conduct as, at their discretion, they deem appropriate. Such supplemental instructions are also subject to the Student Code of Conduct.

3.33 Use of Copyrighted and/or Trademarked Materials Students/student organizations must be aware of, and abide by, all applicable copyright and trademark/service mark laws. It is a violation of University policy for a student/student organization knowingly to use and/or present copyrighted/ trademarked materials without obtaining the permission of the copyright/trademark or service mark holder.

“Copyright” is the right of an author, artist, composer or other creator of intellectual work to control another’s use of that work. Federal copyright law extends protection to literary musical, artistic, dramatic, and other kinds of intellectual work. To ensure compliance with copyright laws, any student/student organization that wishes to perform or exhibit copyrighted works publicly must secure permission to do so. This requirement applies even though the student/student organization seeking to use or present a copyrighted work is part of a nonprofit organization and even though admission is not charged. Personal purchase of copyrighted material does not give the right for public use/presentation.

Copyright law provides that the “fair use” of a copyrighted work for purposes such as criticism, comment, news reporting, teaching, scholarship, or research, is not an infringement of copyright. Using copyrighted materials in an educational setting, however, does not automatically qualify as “fair use.” Additional information is available at www.copyright.gov.

A “trademark” is a word, phrase, symbol or design, or a combination of words, phrases, symbols or designs, that identifies and distinguishes the source of the goods of one party from those of others. A “service mark” is the same as a trademark, except that it identifies and distinguishes the source of a service rather than a product. Logos, images, pictures and other designs that might be put on tee shirts and promotional materials, for example, may be protected through a trademark (TM) and/or service mark (SM). Students/student organizations must have permission to use trademarks and service marks from the owner of the trademark or service mark. Additional information on trademarks/service marks may be obtained from www.uspto.gov.

The Assistant Dean of Student Life / Director of Student Activities & Multicultural Student Affairs, with help from the Legal Affairs Office, will assist students or student organizations in obtaining permission, if there are no restrictions upon granting permission, to use copyrighted and/or trademarked or service marked materials. A student/student organization must give the Assistant Dean of Student Life / Director of Student Activities & Multicultural Student Affairs twenty-one (21) days’ notice to pursue permission and any license or other fees must be paid by the student/student organization.

5.01 GENERAL DESCRIPTION Fraternities and sororities derive their recognition through their invitation from the University President to establish a chapter on the SMU campus. It is the continuation of that invitation that legitimizes their existence at SMU, which enables them to utilize University property to house their members, and enables the University to establish rules and regulations to govern that housing. In addition, fraternities and sororities draw their rights and privileges from the Student Senate through the chartered status of Greek councils (e.g. the Interfraternity, Multicultural, National Pan-Hellenic and Panhellenic Councils). Specific regulations regarding recruitment and Greek system policies are established and supervised by those councils. Members of the Greek community are also expected to abide by the University’s Greek Relationship Statement. These policies shall be in accordance with the policies of the Student Code as set forth by the Student Senate and the University. Questions regarding Greek system policies should be directed to the individual councils. The privileges afforded to the individual fraternities and sororities are equal to those of all chartered student organizations except for the following:

5.01(a) Because sororities and fraternities are voluntary fraternal associations, their internal structure and governance are controlled by their own constitutions.

- 5.01(b)** May not request an appropriated budget from the Students' Association, as outlined in the Student Code of Conduct and Student Senate policies and Procedures
- 5.01(c)** May not request advertising in the Daily Campus Students' Association Bulletin Board
- 5.01(d)** Will not be assigned an affiliate senator by the Student Body Vice-President
- 5.01(e)** May not open a Students' Association checking account controlled by the Students' Association Comptroller
- 5.01(f)** May not request a copy code from the Student Activities & Multicultural Student Affairs office

5.02 RECRUITMENT Recruitment (also known as Rush or Membership Intake Process) is defined as any contact between Greek affiliated and nonaffiliated students, the intent of which is to pledge or solicit affiliation of the non-Greek student to a particular fraternity or sorority.

5.02(a) RECRUITMENT CONTACT

- 5.02(a)(1)** A recruitment function is defined as any contact, on or off campus, between nonaffiliated students and fraternity/sorority members for the purpose of exploring the possibility of membership in a Greek organization.
- 5.02(a)(2)** The University allows contact between Greek affiliated and nonaffiliated students, but prohibits first-year student pledging during the student's first semester on campus.

5.02(b) ELIGIBILITY FOR PLEDGING

- 5.02(b)(1)** Students interested in pledging a fraternity or sorority must have successfully completed at least 12 semester hours in residence at a college or university during their last semester enrolled in that college or university preceding the pledging period and must have a minimum 2.25 GPA for that previous semester and a cumulative 2.25 GPA at all colleges or universities previously attended at the time of beginning pledgship/new member education. Individual Councils may have higher GPA requirements for recruitment eligibility.
- 5.02(b)(2)** Students who are found responsible for a violation of the Student Code of Conduct and are sanctioned by disciplinary probation or greater will be ineligible for Greek recruitment during the time that sanction is in effect.

5.02(c) FORMAL AND OPEN RECRUITMENT

- 5.02(c)(1)** Formal and Open recruitment is applicable only to the Interfraternity Council and Panhellenic Association, and will be held the week before classes of the spring semester. The Multicultural Greek council organizes their Recruitment during the first four weeks of each semester. The National Pan-Hellenic Council determines their Membership Intake Process through their individual national boards.
- 5.02(c)(2)** Structured open recruitment occurs for non-first-year students in the fall semester, usually in the first few weeks of September, and for all students in the first few weeks of the spring semester following the formal recruitment period. However, students who meet the eligibility requirements may pledge at any time at which an invitation for membership is extended by a group.

5.02(c)(3) Requests for exceptions to the eligibility requirements for Recruitment and pledging may be made to the Associate Vice President for Student Affairs through the advisors to the individual Greek councils.

5.03 EXPANSION OF THE GREEK SYSTEM Requests for Greek expansion to be reviewed by Council President, Council Advisor, Assistant Dean of Student Life / Director of Student Activities & Multicultural Student Affairs, and Associate Vice President for Student Affairs. UNIVERSITY CONDUCT REVIEW PROCESS

I. INTRODUCTION Responsibility for student discipline is vested in the President by the Board of Trustees. To exercise this responsibility, the President established the University Conduct Council, which reports through the Vice President for Student Affairs. Upon the recommendation of the University Conduct Council and the Vice President for Student Affairs, the President has accepted the following document delineating the conduct review process for students at SMU.

PHILOSOPHY AND PURPOSE A university is a complex institution. It is distinctive from anything else in society and therefore, the focus of its norms is distinctive. Further, a private university is an elite institution; admittance and attendance is a privilege granted on the assumption that the applicant who has voluntarily enrolled in the institution shares the university's values and goals and is committed to its purpose. If a student's values and goals are not consistent with those of the university, the privilege of attendance may be terminated.

The conduct review process at SMU provides a fair disciplinary procedure for an accused individual (**respondent**) or student group and the University and to help induce maturity and learning by erring students, while enforcing the behavior requirements deemed necessary to an academic institution. It also exists to protect the balance between the rights of the respondent and those of the university community as a whole.

SMU emphasizes learning and behavioral development. The conduct review process is not an adversarial process of antagonists striving to best one another. It is more in the nature of a community seeking to learn if error has occurred and, if so, deciding how best to act so that in the future there will be less error. Its watchwords are serious in purpose, considerate in process, appropriate in response.

The conduct review process is an educational process, one that promotes growth, understanding, responsibility and accountability. The majority representation on all boards is students. The University does not allow attorneys to actively participate in any way in the University's conduct review process.

The University recognizes that some violations may be handled concurrently by the University and civil and/or criminal authorities. The criminal court process is separate and distinct from the student conduct review process, which determines only violations of the Student Code and imposes sanctions within the University community. As such, a concurrent action by both processes does not constitute double jeopardy. The judgment of the Vice President for Student Affairs is the final determinant as to the University's response to any student behavior. Cases of academic dishonesty are handled under the jurisdiction of the Honor Code and the Honor Council.

A. Overview of the Discipline Process

1. Complaint is filed or report is received.
2. Notice of alleged violations is provided and hearing scheduled.
3. A hearing occurs.
4. If a respondent is found responsible for violation of policy, sanctions are issued.
5. A respondent may appeal the outcome of a conduct hearing.

Definitions:

1. **Respondent** – Student or student group who has allegedly violated policy.
2. **Complainant** – Person(s) or entity making a complaint or referral regarding a student or student group who allegedly violated policy.
3. **University Conduct Officer** – A University staff member trained in the conduct review process. This person meets with respondents.
4. **FERPA** – The Family Educational Rights and Privacy Act. The privacy and confidentiality of all student records shall be preserved in accordance with the Family Educational Rights and Privacy Act of 1974 as amended.

5. **Conduct Liaison** – A University faculty or staff member trained in the conduct review process. Both respondents and complainants will have an opportunity to meet with a Conduct Liaison regarding questions on the conduct review process.

B. Rights of Complainants and Respondents

1. Complainants and respondents involved in a conduct hearing will each be offered the opportunity to consult with a Conduct Liaison(s) provided by the Student Conduct and Community Standards Office. The Conduct Liaison(s) will remain in a neutral role throughout the process.
2. Respondents and complainants may have two people serve as support persons during the conduct hearing. Such persons are for silent moral support.
3. Respondents may remain silent, before, during, and after the hearing and may make a statement explaining the reasons for remaining silent.
4. Respondents and complainants may challenge any member serving on a University Conduct Board on grounds of prejudice or bias.
5. Complainants and respondents may remain present during the conduct hearing process.
6. If living on campus, students involved in a conduct matter who live near or with each other may request to have living arrangements modified pending the outcome of the hearing.
7. If the incident involves an alleged sexual assault or sexual misconduct, sexual history is irrelevant and should not be discussed during the hearing.

C. Conduct Procedures

 - 2. Should the respondent and/or responsible party (parties) make public statements or declarations regarding a conduct hearing, this action may free the University to comment on any such statements and/or the matter being discussed.

If the student leaves the University before graduation, the notation is removed three (3) years after the anticipated date of graduation from the University.
3. **DEFERRED SUSPENSION** Individual or group suspension may be deferred (not enforced). Deferred terms, i.e., conditions of the deferred suspension and its duration, will be set by the Conduct Officer or Conduct Board which imposed the sanction. 5. **CONDUCT REPRIMAND** The individual or group will be given formal notice by the Conduct Board or the Conduct Officer that they have violated the Student Code of Conduct or University policy. If the individual or group is found in violation of a further charge, that case will be considered more seriously.

The reassigned student may not enter any other residence hall without the express written permission from the Office of Residence Life and Student Housing. If the student's housing contract is still in force at the time of the suspension or expulsion, no refund of the housing deposit or fee will be made.
2. **RESIDENCE HALL PROBATION** Student is advised that additional violations on or off campus could result in having to move to another room or hall or being removed from housing.

7. **SUSPENSION OF PRIVILEGES** An individual or group will lose privileges that allow participation in specific activities, use specific facilities, or exercise specific privileges.
8. **DISCIPLINARY VIOLATION (DV) TRANSCRIPT RECORD** If the nature of the offense so warrants, the Conduct Board will record an individual's violation on his/her academic transcript. The notation will remain for the time he/she is enrolled at the University and for three (3) years following his/her graduation. If the student leaves the University before graduation, the notation is removed three (3) years after the anticipated date of graduation from the University.
9. **EDUCATIONAL SANCTIONS** The objective of this sanction is education and rehabilitation. Sanctions selected will be commensurate with the offense.
10. **REFERRALS TO OTHER OFFICES** Students may be required to contact other offices on campus including, but not limited to, the Center for Alcohol Education and Drug Abuse Prevention.
11. **DRUG TESTING** Students may be subject to random on-going drug testing. The number of tests/dates will be determined by the Dean of Student Life office and the Center for Drug and Alcohol Abuse Prevention. The fee for drug testing will be covered by the fine charged at the time of adjudication. Any missed test, diluted test or positive test may result in immediate suspension.
12. **NO CONTACT ORDER** Students may be informed that they should have no contact with another student.

VI. APPEALS PROCESS

THE HONOR CODE

Intellectual integrity and academic honesty are fundamental to the processes of learning and of evaluating academic performance, and maintaining them is the responsibility of all members of an educational institution. The inculcation of personal standards of honesty and integrity is a goal of education in all the disciplines of the University.

The faculty has the responsibility of encouraging and maintaining an atmosphere of academic honesty by being certain that students are aware of the value of it, that they understand the regulations defining it, and that they know the penalties for departing from it. The faculty should, as far as is reasonably possible, assist students in avoiding the temptation to cheat. Faculty members must be aware that permitting dishonesty is not open to personal choice. A professor or instructor who is unwilling to act upon offenses is an accessory with the student offender in deteriorating the integrity of the University.

Students must share the responsibility for creating and maintaining an atmosphere of honesty and integrity. Students should be aware that personal experience in completing assigned work is essential to learning. Permitting others to prepare their work, using published or unpublished summaries as a substitute for studying required materials, or giving or receiving unauthorized assistance in the preparation of work to be submitted are directly contrary to the honest process of learning. Students who are aware that others in a course are cheating or otherwise acting dishonestly have the responsibility to inform the professor and/or bring an accusation to the Honor Council.

Students and faculty members must mutually share the knowledge that any dishonest practices permitted will make it more difficult for the honest students to be evaluated and graded fairly and will damage the integrity of the whole University. Students should recognize that both their own interest, and their integrity as individuals, suffer if they condone dishonesty in others.

THE CONSTITUTION OF THE HONOR COUNCIL OF SOUTHERN METHODIST UNIVERSITY

PREAMBLE AND DEFINITIONS We, the students of Southern Methodist University, with the approval of the Provost and the Dean of Student Life, establish the Honor Council to uphold the standards of academic integrity set forth in the Honor Code. Acts punishable under the code include, but are not limited to the following:

ACADEMIC SABOTAGE Intentionally taking any action which negatively affects the academic work of another student.

CHEATING Intentionally¹ using or attempting to use unauthorized materials, information, or study aids in any academic exercise.²

FABRICATION Intentional and unauthorized falsification or invention of any information or citation in an academic exercise.³

FACILITATING ACADEMIC DISHONESTY Intentionally or knowingly helping or attempting to help another to violate any provision of the Honor Code.⁴

PLAGIARISM⁵ Intentionally or knowingly representing the words or ideas of another as one's own in any academic exercise.

¹ Labeling a student as being "dishonest" constitutes a form of moral condemnation, which can be a legitimate sanction in itself. Such moral condemnation, however, is not normally imposed for a simple act of negligence (e.g., a typographical error resulting in a miscited source). A student who cites long passages from a book without acknowledgment cannot expect to convince the decision maker that the omission was merely "negligent." Such ignorance is not a valid defense. Not knowing what one has done (e.g., inadvertently omitting a footnote) is to be distinguished from knowingly doing something while ignorant of a rule.

² The term "academic exercise" includes all forms of work submitted for credit or honors at the University, as well as materials submitted to other institutions or organizations for evaluation or publication.

³ For example, a writer should not reproduce a quotation found in a book review and indicate that quotation was obtained from the book itself. Likewise, it would be improper to analyze one sample in a laboratory experiment and covertly "invent" data based on that single experiment for three more required analyses.

⁴ For example, one who provided term papers or examinations to other students while knowing or having reason to know that such materials would be used in violation of the Honor Code would be responsible for "facilitating academic dishonesty."

⁵ In regards to cases of plagiarism, ignorance of the rules is not an excuse. The University subscribes to the statement on plagiarism which appears on page six of William Watt's *An American Rhetoric* (1955).

IMPEDING HONOR COUNCIL INVESTIGATION Impeding the investigation of the council, lying to the council, or in any way failing to cooperate with the council.

The general principles for all honest writing can be summarized briefly. Acknowledge indebtedness:

1. Whenever you quote another person's actual words.
2. Whenever you use another person's idea, opinion, or theory, even if it is completely paraphrased in your own words.
3. Whenever you borrow facts, statistics, or other illustrative material - unless the information is common knowledge.

Plagiarism also encompasses the notions of citing quotations and materials from secondary sources that were not directly consulted in the preparation of the student's work, and copying the organizational and argumentation structure of a work without acknowledging its author.

ARTICLE III - PREHEARING PROCEDURES

SECTION 1: FACULTY DISPOSITION OF A SUSPECTED HONOR VIOLATION

A faculty member who suspects that a student has committed an act of academic dishonesty may take either or both of the following courses of action:

- (a) Determine to handle the situation privately with the student, in which case these procedures should be followed:
 - (i) the faculty member shall inform the student of the alleged misconduct and, after discussing it with him or her, determine whether or not the student is responsible for a violation of the Honor Code;
 - (ii) the faculty member shall inform the student of the sanctions for a determination of responsibility, which may be as severe as a failing grade in the course;
 - (iii) the faculty member shall determine whether to notify the Dean of Student Life of the action taken using the form designated for this purpose and available from the Honor Council. Faculty members should use this reporting mechanism, as it serves two purposes: first, it enables the University to track the number and severity of honor code violations; second, it preserves a record of a particular student's violation of the Honor Code in the event the student is charged with other alleged violations in the future.
- (b) Determine that the matter should be referred to the Honor Council, in which case the charge must be filed and received by the Honor Council within twenty-two (22) class days from the date of discovery of the alleged violation. The procedures outlined in Section 2, below, will be followed.

SECTION 2: NOTIFICATION OF STUDENT AND PREHEARING PROCEDURES

- (a) A person who suspects an Honor Code violation shall notify the Honor Council president of the alleged act in writing on the standard form established for that purpose.
- (b) The Provost will select faculty members designated in advance by the Faculty Senate. Although selection may be made on a case-by-case rotating basis, the Provost should retain discretion to make selections, which will ensure representation of appropriate academic disciplines, as necessary in each case.
- (c) The Honor Council president or designee shall immediately send written notice of charges to the respondent. All correspondence is sent to the local address the student has provided to the University registrar. The Honor Council will consider notice served once notice has been mailed to the local address as provided to the University registrar. Students are responsible for maintaining a current address with the Registrar's Office at all times. A copy of the written notice of charges shall also be sent to the Dean of Student Life.
- (d) The Vice President of Investigations shall appoint an investigator who will collect information relevant to the case and write a summary report to be used at the hearing. The investigator must deliver the summary report and copies of all written evidence and exhibits which will be used at the hearing to the Vice President of the Honor Council while submitting a copy to the Dean of Student Life at least three (3) days before the hearing.
- (e) Upon notification of an alleged Honor Code violation, the Honor Council president shall request the registrar to place a hold on the respondent's transcript until the case has reached a final disposition through the hearing.

- (f) The Honor Council president shall convene a Hearing Board, with a suggested composition of four students and one faculty member, within a reasonable period of time but no earlier than ten (10) days after the respondent receives notice of the allegation. “Ten days” shall be counted as class days. Weekend days, exam days, holidays, and summer vacation days are not included. Hearing boards ordinarily will not convene during these times.
- (g) Quorum for an Honor Council Hearing Board shall be defined as at least four (4) members of the Honor Council.

SECTION 3: ADVISING THE RESPONDENT

- (a) The vice president of the Honor Council or designee shall serve as liaison to the respondent. The Honor Council vice president shall document every attempt by phone and mail to contact the student to schedule a meeting to review the respondent’s rights and the Honor Council procedures. It is the student’s prerogative whether or not to attend this meeting. At the meeting, the Honor Council vice president will ensure the student has written notice of the charges and copies of the Honor Code, the Honor Council Constitution, and the Hearing Procedures. The vice president will describe the hearing procedures to the respondent and answer questions. The vice president will also provide a copy of the investigator’s summary report to the student and all written evidence or exhibits to be used in the case at least three days before the hearing. The vice president shall inform the student of the hearing date, time, and place. Training for the vice president shall be provided by the Dean of Student Life.
- (b) The vice president shall inform the student that he or she may bring one person from the SMU community (a SMU student, faculty member, or staff member) and his or her parents. Parents and/or community support person are for moral support only and may not participate in the hearing unless called upon as a witness. Parents or family members who are attorneys may not be present in a lawyer capacity. Attorneys may not attend or participate in the hearing.

ARTICLE IV - HEARING RULES AND PROCEDURES

SECTION 1: GENERAL HEARING RULES

- (a) Unless otherwise noted, all guidelines concerning shall follow the same general principles set forth by the University Conduct Review Process.
- (b) The president or his/her designee shall act as the nonvoting presiding officer of the hearing.
- (c) The respondent may challenge any board member’s eligibility to sit on the panel; however, the hearing board by majority vote, will have the final decision regarding the panelist’s eligibility.
- (d) Hearings will be closed to the public, except for the respondent’s parents, the community support person accompanying the respondent, and Honor Council members-in-training. The respondent may request an open hearing, which may be held at the discretion of the president. Open hearings will waive all rights to confidentiality.
- (e) Any person, including the respondent, who disrupts a hearing or who fails to adhere to the rulings of the president may be excluded from the proceeding.
- (f) All proceedings are confidential. Violations of the policy on confidentiality will result in a board member’s removal from the council as well as subject the board member to possible conduct action.
- (g) In accusations involving more than one (1) student, the president will determine whether separate hearings will be held. If a single hearing is held, the respondents may be asked to testify with the other(s) out of the hearing room. Guilt or innocence and penalties will be assigned separately.
- (h) If the respondent withdraws from school pending a hearing, the Honor Council retains jurisdiction to render a finding of guilt and apply sanctions.

SECTION 2: HEARING PROCEDURES

- (a) A hearing board should be comprised of four students and one faculty Honor Council member. The quorum for a hearing shall be four members. For a hearing to commence, the complainant or a statement by him or her, and the investigator or a statement by him or her must be present. The respondent does not have to be present for the case to proceed. Training for hearing board members will be jointly planned and implemented by the faculty adviser and the Dean of Student Life.
- (b) Prospective witnesses, other than the complainant and the respondent, shall be excluded from the hearing during the testimony of other witnesses.
- (c) Formal rules of evidence shall not be applicable in the hearing. Unduly repetitious or irrelevant evidence may be excluded. Circumstantial evidence and hearsay are admissible.
- (d) Respondents shall be accorded an opportunity to question the complainant and those witnesses who testify for the complainant at the hearing.
- (e) In like manner, the complainant shall be accorded an opportunity to question the respondent and those witnesses who testify for the respondent at the hearing.
- (f) The burden of proof shall be upon the complainant, who must establish the guilt of the respondent by clear and convincing evidence.
- (g) All parties, the witnesses, and the public shall be excluded during panel deliberations. Honor Council members-in-training, if any, will be allowed to stay for deliberations but may not contribute to the discussion of the board.
- (h) A four (4) out of five (5) vote is necessary for a verdict of responsibility to enter. If only four (4) members are present, a unanimous four (4) to zero (0) vote is necessary for a verdict of Responsible. Any vote short of the requirement will exonerate the respondent and the board will dismiss the charge.
- (i) A majority vote is necessary for the sanctions to be set. If there is no majority opinion, then the student will not receive any sanctions.
- (j) If the respondent is found responsible for an Honor Code violation, the president will inform the board of any prior Honor Code or Conduct violations by the respondent. The hearing board will then determine the sanction(s) to apply. (See Article V., Section 3.)
- (k) A brief, written statement of reasons for finding a student responsible or not responsible for an offense and the sanctions imposed will be provided by the president or his/her designee. A copy of this statement, called a Hearing Summary, must be signed by the student and the president and given to the respondent in person or sent via certified mail if the respondent is not present, or refuses to accept his or her copy. The decision of the hearing board will be available to the respondent and accuser(s) no earlier than 24 hours after decision has been reached.

SECTION 3: SPECIAL CONTINGENCY PROCEDURES

- (a) In the event that a hearing must be held during the summer and on an accelerated schedule (such as the case of a student scheduled to graduate before the next academic term), and to the extent that logistics make it impossible to convene a hearing board according to Section 2(a), a special hearing board shall be convened for the hearing. The board shall still be comprised of five members if possible (four (4) for a quorum), however more than one Honor Council faculty member is eligible to sit on the board, as well as is one member of the administration of Southern Methodist University, so long as there are at least two (2) student Honor Council members on any hearing board (including the (4) four-member quorum). Furthermore, any officer of the Honor Council shall be eligible to sit on the board to the extent that they have no prior knowledge of the case.
- (b) All other special contingency hearing procedures shall follow the guidelines set forth in Section 2.

ARTICLE V - PENALTIES

SECTION 1: The recommended minimum penalty for a violation of the Honor Code shall be an Honor Violation (H.V.) and a deferred suspension from the University for the remainder of the student's academic career. The suspension will be invoked for a finding of guilt of an Honor Code violation or a sanction of disciplinary probation through the University Conduct Review Process. The Honor Council shall authorize the University registrar to place an H.V. on the transcript. The H.V. shall remain on the student's transcript for three years after graduation or expected date of graduation. It shall then be removed from the transcript. Although it is presumed that a guilty verdict would result in assignment of a grade of "F", the faculty member retains complete discretion to award a grade for the course he or she deems appropriate. Hearing board members may discuss the case issues in general with other Honor Council members at their regular meeting for purposes of training, but no identifying information may be discussed.

SECTION 2: In lieu of, or in addition to, the above recommended Honor Violation, the following penalties may be given:

- (a) Educational sanction
- (b) Conduct Reprimand
- (c) Disciplinary Probation for a term set by the hearing board
- (d) Deferred sanctions for a term set by the hearing board
- (e) Suspension from the University for a term to be set by the hearing board (during which, credit gained at another institution cannot be transferred back to SMU);
- (f) Expulsion from the University
- (g) If the student receives a sanction involving a probationary period or higher, the student's parents will be notified

SECTION 3: The criteria on which penalties are based include but are not limited to:

- (a) Truthfulness and cooperation in the investigation and hearing;
- (b) Intent, premeditation and seriousness of the offense;
- (c) Previous University Honor Council or Conduct record;
- (d) Harassment of the complainant or any witness.

SECTION 4: For a period of one year, no student with an H.V. on the transcript will be permitted to represent the University in any extracurricular activity, or run for or hold office in any recognized student organization, including, but not limited to, participating as a member of an athletic team, in performances conducted under University auspices, serving as a member of the Mustang Band, the debate teams, an officer of a sorority or fraternity, a member of the Student Senate, a member of the Student Foundation, or in similar capacities. If students so sanctioned fail to remove themselves from such activities voluntarily, the Honor Council will contact the relevant student or administrative officials to force such action. In exceptional situations, this penalty may be waived at the discretion of the hearing board.

SECTION 5: For a period of one year, no student with an H.V. on his or her record shall be entitled to a scholarship based on any factor other than need.

ARTICLE VI - APPEAL

SECTION 1: Grounds for appeal are the following:

- (a) substantial new relevant evidence not available at the time of the original hearing;
- (b) significant procedural irregularities which denied the student a fair hearing;
- (c) insufficient evidence provided to merit a finding of responsibility;
- (d) sanctions overly harsh;
- (e) Clearly erroneous findings of fact.

SECTION 2: Only the respondent has the right to appeal.

SECTION 3: All requests for appeal of the hearing board's decision shall be submitted to the University Conduct Council in writing no later than four (4) calendar days (excluding school holidays) from the Hearing Summary meeting with the Honor Council President or the mailing of the Hearing Summary Report to the student's address of record. Requests must set out detailed reasons for the appeal. The hearing board shall submit a response to the appeal to the University Conduct Council. For this purpose, a quorum of the University Conduct Council shall be two (2) faculty members, two (2) students, and one (1) administrator. The council shall convene a closed informal hearing within a timely manner to discuss the merits of the appeal. The standard of appellate review is very stringent and only in cases of a clear miscarriage of justice shall an appeal be granted.

SECTION 4: The University Conduct Council may dismiss the case due to such procedural irregularities as will forever deny the student a fair hearing, grant the appeal and remand for a de novo hearing, with a new hearing board, for insufficient evidence, significant procedural irregularity, or substantial new evidence, or lighten sanctions if it finds the sanctions to be overly harsh.

ARTICLE VII - RECORDS

SECTION 1: All correspondence with the student and records of board decisions and all board correspondence will be kept permanently in the Honor Council file. Copies will also be maintained in the permanent file in the Dean of Student Life Office, in accordance with policies established for maintaining of student conduct records.

SECTION 2: If the student is found not responsible, the Honor Council president will expunge identifying information from the case file in the Honor Council Office.

The code was derived in part from Kibler, W., Nuss, E., Patterson, B., and Pavela, G., *Academic Integrity and Student Development: Legal Issues, Policy Issues* (College Administration Publications, Inc., 1988).

2. The objective is to obtain voluntary compliance with the regulations rather than to assess fines. Fines have been enacted to deter violations.
3. The plan provides parking spaces as conveniently as possible within the available limits. **No one is guaranteed a parking space on campus.**
4. Students, faculty and staff are expected to be familiar with and to abide by these regulations at all times and to advise visitors of them. The fact that a violation notice is not issued when a vehicle is illegally parked does not mean nor imply that the regulation or law is no longer in effect. The motor vehicle operator is responsible for being informed about the laws and regulations in force.
5. Persons with registered vehicles are responsible for any citations issued to their vehicles. **Lack of convenient parking space is not justification for violation of parking rules.** Any unregistered vehicles parked on campus by faculty, staff or students will be cited. Repeated violations (two or more) by unregistered vehicles can result in the vehicle being towed or mechanically immobilized (booted). Citations are not voided from an individual's parking record once paid. They accumulate during the academic year even after being resolved by payment. The moment the sixth citation is issued during the academic year, an individual will be designated a "Habitual Violator" for the remainder of the academic year. Habitual violators who illegally park on the campus will be subject to increased fines and vehicle immobilization.
6. All appropriate Texas criminal laws and motor vehicle laws, in addition to University regulations, are in effect on SMU property. University police officers have jurisdiction to enforce regulations and the authority to remove or impound any vehicle operated or parked in violation of the regulations.
7. Throughout the year the campus hosts several major events that require reserved parking for the patrons. To facilitate reserved parking demands for event patrons, parking lots normally designated for student, staff, and faculty use may be closed. This will result in some inconvenience to the campus community but does not authorize drivers to park in violation of campus, state, or city ordinances.
8. Questions regarding interpretation or classification of these regulations should be directed to the Park 'n Pony Office during normal business hours at 214-768-7275. **(PLEASE DO NOT CALL THE POLICE DISPATCHER)**

VEHICLES ON CAMPUS Motor vehicles parked at any time on University property or streets by students, faculty, or staff must display a current permit, which is obtained from the Park 'n Pony office. Permits must not be falsified, transferred to another person, forged, or altered.

STUDENT VEHICLES When a vehicle is parked on the campus, the parking permit will be displayed inside the front windshield, on the lower RIGHT hand side. Decals for motorcycles will be displayed on any conspicuous place.

FACULTY AND STAFF VEHICLES Motor vehicles parked on University property or streets by faculty or staff members must display a permit, which is obtained from the Park 'n Pony office in Hughes-Trigg Student Center. The permit will be displayed on the inside of the front windshield, on the lower RIGHT hand side. On motorcycles, the permit should be displayed in any conspicuous place.

VISITORS' PARKING (Faculty, Staff & Students are NOT visitors) Visitors to SMU should be given parking guidance by the person or organization inviting them to campus.

1. Visitors and guests of the University may park ONLY in “pay meter” spaces, The University Lot located behind the Airline Garage and the Moody Garage. The University Lot and Moody Garage offer “Park and Pay” stations.
2. Visitors parking in the Moody Garage will be required to pay a flat-rate fee of \$5.00 to utilize the garage parking. The one-time \$5.00 fee is good for the entire day. The pay station is located at the SMU Blvd Entrance and will accept coins, bills (\$1.00 and \$5.00 only), as well as major credit cards. Parking coupons may also be used at the Moody Garage station only. These coupons will be distributed to guest by selected hosts who receive them from the Park ‘n Pony Office. Visitors must display the receipt of payment on the dash board to avoid citation.
3. **Visitors parking in the University Lot must pay by the hour (\$1.00 per hour) up to a maximum of \$5.00 per day. A conveniently placed pay station in the center of the lot is offered to our visitors. Visitors must display the receipt of payment on the dash board to avoid citation.**
4. Visitors can only park on campus during normal hours of operation (7 am - 12 midnight). If a vehicle needs to be left overnight or frequent visits are made to campus, call the university police (214-768-3388 - 24 hours) for instructions.
5. **Faculty, staff, and students are not considered visitors, however, they may park in any visitor’s parking space anywhere on campus, provided they have paid the associated fee.**
6. Students are responsible for the actions of their guests on campus and should advise them as to the areas in which they are allowed to park.
7. SMU is not responsible for any damage that may occur to vehicles parked on campus or to vehicles entering or leaving SMU parking lots.

FLOOD WARNING Certain low-lying areas of the campus are prone to flooding in heavy rains. Concerns or questions about these areas should be addressed to Campus Planning and Plant Operations.

PARKING FOR THE DISABLED

1. SMU provides spaces throughout the campus for the parking needs of persons with disabilities. The campus honors any government-issued disability designation visibly displayed. Requirements for authorization to park a vehicle in a “Disabled” space are a state “Disabled” license plate, a state “Disabled” decal, or any disabled designation issued by a government entity.
2. Guests to the campus, with proper state designation and with the disabled person in possession of the vehicle, may park in any legal parking space, including spaces designated for disabled parking. This does not apply to “RESERVED” disabled spaces. Permits or license plates denoting disability do not permit anyone to park in “Fire Lanes”, “No Parking” areas, or “Reserved” parking spaces. If there is a question regarding special parking needs, contact the Park ‘n Pony Office at 214-768-7275.
3. SMU has provisions to issue a temporary disabled permit. Temporary disabled permits may be issued with written authorization from a physician. This issuance is done at the Park ‘n Pony office. Temporary permits may be issued for a maximum of six (6) weeks. This provision will enable an individual to obtain a State temporary permit if the disability is expected to continue longer.
4. Persons with “Disabled” permits must pay to park in SMU-operated (private property) metered parking spaces.
5. An unauthorized vehicle in a space reserved for disabled persons will be towed away at the expense of the owner/operator.
6. Spaces designated for disabled persons may be used only by vehicles displaying an appropriate permit. The regulation applies AT ALL TIMES (24 hours a day, seven days a week). Vehicles improperly parked in such spaces will be towed away. A \$300 FINE

WILL BE CHARGED FOR EACH VIOLATION. THIS WILL BE IN ADDITION TO THE TOWING/BOOT CHARGE AND IMPOUNDMENT FEES.

NOTE: Article 6675a.5e.1, Vernon's Texas Civil Statutes:

Section 10. (a) A person commits an offense if the person is neither temporarily or permanently disabled nor transporting a temporarily or permanently disabled person and parks a vehicle with such special device or displaying a disabled person identification card in a parking space or parking area designated specifically for the disabled by a political subdivision or by a person who owns or controls private property used for parking for which a political subdivision has provided for the application of this section under Subsection (c) of Section 6A of this Act.

Section 11. Presumption. In a prosecution of an offense under Section 10 of this Act, it is presumed that the registered owner of the motor vehicle that is the subject of the prosecution is the person who parked the vehicle at the time and place the offense occurred.

PARKING PERMITS

There are many types of permits issued by SMU: Only one vehicle can be registered to SMU resident students. Two vehicles may be registered to non-resident students, faculty, and staff. By virtue of purchasing an SMU parking permit, all agree to read, understand, and abide by SMU parking policy.

1. **RESIDENT PERMITS:** Persons who reside in campus housing (residence halls, sororities and fraternities, SMU apartments) are authorized to park in the resident areas indicated on the map and designated "All University Parking" (AUP) areas. Avoid RLSH staff spaces.
2. **FALL PERMIT:** Specifically for those students who will graduate at the end of the Fall Term, or for students who are in the "Evening Studies" program.
3. **COMMUTERS:** These students are authorized to park in AUP designated areas. This includes the Commuter Lot, Airline Garage, Meadows Garage, the Moody Garage and the Binkley Garage. Visitor and Faculty/Staff spaces within these locations should be avoided.
4. **FACULTY AND STAFF:** These employees are authorized to park in designated F/S areas on the map, parking garages and all permit areas. It is not permitted to purchase a F/S permit for use by students. Faculty and staff should avoid spaces designated for visitors in the garages.
5. **LAW STUDENTS:** This permit authorizes parking in the Law Garage, specified student areas inside the Airline Garage, specified student areas inside the Meadows Garage, the Moody Garage, and AUP areas.
6. **SERVICE AND DELIVERY VEHICLES:** These vehicles are issued temporary distinguishing permits denoting the vehicle use (service and delivery, contractors, special guests, trustee parking, visitors, etc.) and must be displayed on the rear view mirror.
7. **TEMPORARY:** This is used on a temporary basis as a substitute for any of the other permits.
8. **SPECIAL GUEST:** Used to designate visitors on campus.
9. **RETIRED FACULTY/STAFF:** Designates individuals who have retired from SMU. Allows them to park in any legal space. Available through the Retired Faculty Association and the Retired Staff Association or the Park 'n Pony office at Hughes-Trigg Student Center.

REGISTERING FOR PARKING

1. Student registration for parking must be done in the following manner: Payment for parking is made at the Student Financial Services Office in the Laura Lee Blanton building, or on line at Campus Essential section, select parking and it will be billed directly to your student account. SMU ID is required. The student reports to the Park 'n Pony Office at Hughes-Trigg Student Center and presents proof of payment of the parking fee. A student must have an SMU ID and the license plate number of the vehicle to be registered. Park 'n Pony will issue the appropriate decal to each person. The parking permit must be affixed to the inside of the front windshield of the vehicle, in the lower RIGHT hand portion of the glass in such a manner that the identifying number is visible and legible.

2. In certain cases, a person not officially registered to park on campus may be issued a temporary permit. This permit must be displayed on the rear view mirror of the vehicle. Inquiries regarding temporary permits should be directed to the Park 'n Pony Office at 214-768-7275.

HOURS OF RESTRICTION

Many of the campus parking areas are restricted by the type of permit 24 hours a day, while others are designated as restricted from 7 a.m. to 5 p.m. Drivers should be aware of the signage restricting the area before attempting to park the vehicle.

During the hours of restrictions, a vehicle may be parked only in the parking area to which the vehicle has been assigned and for which a permit has been issued. If restrictions are posted with no time designation, the restriction is enforced 24 hours daily. On Saturday and Sunday and official school holidays, only posted restrictions are in effect.

When restrictions are not in effect, vehicles bearing a current SMU parking permit may park in any space that is not in violation of state and local statutes or is not controlled by signs or curb markings indicating special provisions, except Male first-year students. 2. A **sixth** traffic citation will result not only in a fine but also in the individual being designated a habitual violator.
3. Securing a parking permit using fraudulent registration information or displaying a fictitious permit will result in the revocation of parking privileges and referral to the University Conduct Officer for further action. **NOTE: Students who fraudulently register the vehicles of another will lose their parking privileges on the campus for the remainder of the academic year. Students should also be reminded that ANY citations received by others who have a registration permit in the registrant's name will be charged to the registrant's account.**
4. Improperly parked vehicles that interfere with usual staff functions, such as maintenance, delivery, emergency vehicles, etc. will be towed. Vehicles that damage lawns or other landscape will be towed.
5. In situations where the violation warrants, a vehicle either may be towed or immobilized by the use of a mechanical "boot." If the "boot" is used, the violator must not under any circumstances try to move the vehicle. Any attempt to move the vehicle will result in damage to the locking device and/or the vehicle. **SMU IS NOT RESPONSIBLE FOR THE DAMAGE TO A VEHICLE THAT IS MOVED WHILE SECURED BY A "BOOT". ANY DAMAGE TO THE "BOOT" WILL BE CHARGED TO THE VEHICLE OWNER.**

MOTORCYCLES

There are special regulations and state statutes applying to motorcycles, mopeds and motorbikes. Operators of these vehicles must be registered with the SMU Police Department and must display a parking permit. The same penalties for violations of regulations apply to them as to other motor vehicles. Parking and traffic regulations for motorcycles are identical, with the following exceptions:

1. Motorcycles may be driven only on the streets and driveways of the campus and are explicitly prohibited from sidewalks, lawns, flower beds and shrubbery, inside of buildings except garages, and areas where they are prohibited by posted signs.
2. Motorcycles may be parked in any area authorized for automobiles.

BICYCLES

Bicycles must be ridden in accordance with state and local laws pertaining to them. The SMU Police Department will provide a synopsis of such laws upon request.

9. Special bicycle lockers located near residence hall areas are available through Residence Life and Student Housing for a small fee per semester.

HOME FOOTBALL GAMES

When home football games are scheduled, regular parking permits issued to employees and students by the SMU Parking and ID Card Services Office are not valid for that entire day. When home football game day is on a Saturday, all permit holders must move their vehicles during the evening or morning of the game from south quad, Meadows garage, southern section of the Theology lot, the Dedman lot and other locations as may be announced. After 5:00 PM on the Friday evening before game day, vehicles with SMU parking permits may relocate to the Airline garage, Moody garage, Law garage and generally the surface parking lots located on the north end of campus. The Athletic Department will tow vehicles not removed from these areas at the owner's expense.

WEEK DAY FOOTBALL/ BASKETBALL GAMES

It is the policy of the SMU Parking and ID Card Office that during week game days, the Athletic Department does not charge any valid SMU permit holder for parking on campus. During home basketball games, all vehicles must be removed from Binkley Ave between Airline Road and Dublin Street next to the Moody Coliseum/Crum Center and other locations as may be announced by 5:00 PM on weekdays and 4 hours prior to the scheduled start of the games on weekends. The Athletic Department will tow vehicles not removed from these areas at the owner's expense.

IN-LINE SKATES, SKATEBOARDS, TRICK BIKES, AND SCOOTERS:

The on-campus use of skateboards, scooters, in-line skates ("roller-blades"), and trick bikes is restricted to University faculty, staff and students. All other individuals are prohibited from using this recreational equipment on University property. Motorized scooters are not permitted for use on University property.

RESOLVING CITATIONS

The operator of a vehicle in violation of regulations will receive a citation either in person or attached to the vehicle. A violation fine is a University fee and must be paid at the Student Financial Services Office at the Laura Lee Blanton building or the Park 'n Pony office at Hughes-Trigg Student Center. Failure to pay the traffic violation fee will result in delays for students in receiving degrees and transcripts and in refusal of permission to register.

APEALS

1. A traffic citation may be appealed by going online to the Park 'n Pony website within 15 days of the citation date (smu.edu/parking/resolve.asp). **(Please, do not call the police department.)**
2. Decisions made by the Traffic Appeals Review are based on current published parking regulations. **All Review decisions are final.**
3. Individuals who desire to question the current parking regulations may submit recommendations for changes to the Park 'n Pony Office.

UNIVERSITY PARK CITATIONS

In some instances, violators of the City of University Park fire, parking, or building ordinances will be issued City citations. These cases are filed in University Park Court and must be resolved by the judge of that court.

HABITUAL VIOLATOR STATUS

1. Upon issuance of six parking and/or traffic citations, an individual will be automatically designated as a “habitual violator”. Habitual violators may continue to park on campus as long as the vehicle is in an appropriate and legal space. However, subsequent violations will subject the violator to a fine and vehicle immobilization (booted).
2. If a vehicle owned or operated by a habitual violator is illegally parked anywhere on campus, that vehicle will be immobilized. Towing may be necessary in certain circumstances. All tow fees apply to the owner/operator.
3. The fines for all Chronic Violators is doubles per offense plus the boot fee.
4. **The paying of citations does not constitute reinstatement of a person’s parking privileges.**
5. Subsequent violation of parking regulations will result in the student being referred to the Dean of Student Life for action.

TOWING/IMPOUND POLICY

Vehicles in violation of posted restrictions (i.e., cited two times or more for parking without a current decal, parked in a fire lane, occupying a space reserved for the disabled with no visible authorization, parked in a no parking area, reserved space, in a service vehicle space without a hang tag, blocking traffic flow or a danger to the safety of others) will be towed, immobilized or impounded at the owner’s expense. All vehicles towed by the Police Department are impounded in an on-campus area. Arrangements to retrieve the vehicle must be made at the Park N Pony office during regular business hours and SMU Police Department all other hours.

All tows are made by a licensed towing service. SMU is not responsible for any damage sustained as a result of a tow. The tow service accepts responsibility for the vehicle during the towing process.

ABANDONED VEHICLES

Any vehicle parked on University property without University permission for a period of 48 hours or more is considered abandoned under state law and can be towed from the campus at the owner’s expense. After the vehicle is towed, the owner who is listed on the state registration of the vehicle will be informed about location of the vehicle via certified mail. Failure to claim the vehicle from the storage company within 20 days of the notice will result in the vehicle becoming the property of the storage company. Vehicles that are not in driving condition are not allowed to be stored on University property. Vehicles that are under repair are not to be stored on SMU property.

BOATS, TRAILERS, MOBILE HOMES, AND BUSES

Students may not store or park a boat or trailer on campus. Other types of trailers may be parked on campus only with the written permission of a representative of the SMU Police Department. Permission to temporarily park a mobile home (on the Dedman 3 Lot only) on campus will be granted by the SMU Police Department on a specific-need basis. Buses are not allowed to park permanently on campus. Temporary arrangements involving special events can be made through the SMU Police Department (214-768-3333).

UNIVERSITY CLOSING DUE TO BAD WEATHER

(Please do not call the police department for this information)

The decision to close the University due to weather conditions is made by the University president. The decision will be announced to the local television and radio stations by 6 a.m. Voice mail messages announcing the closing will be available by calling SMU-MAIL (214-768-6245) or SMU-INFO (214-768-4636).

LAW ENFORCEMENT & SECURITY

Southern Methodist University is pledged to fulfill its promise as a private university of the highest quality. Toward that end, a variety of services and programs are offered which are conducive to the support of the learning that occurs in the classroom. Uppermost among the services and programs are those that promote the safety and security of the campus community.

JURISDICTION OF THE UNIVERSITY POLICE

Law Enforcement Authority of Campus Security Personnel

The SMU Police Department is a fully empowered law enforcement agency that is certified by the State of Texas. University police officers are armed, state-commissioned peace officers with full police authority, duties and responsibilities. In addition to the campus police officers, the SMU Police Department has uniformed security officers who provide security and support for special event operations. The SMU Police Department provides 24-hour emergency services with patrol officers and a communications officer on duty at all times. The department consists of 33 staff members; 26 of whom are armed, commissioned peace officers. The SMU Police Department has the responsibility and duty to enforce all local, state, and federal laws and to effect arrest and to provide for referral for prosecution of crimes to the city and county judicial systems. Criminal violations will be processed through the Dallas County District Attorney's Office, or Federal criminal justice system. Officers also write citations for the City of University Park.

Municipal Law Enforcement Jurisdiction

In addition to the SMU Police Department (SMU PD), the University Park Police Department (UPPD) has an excellent working relationship with SMU PD and has concurrent jurisdiction on the campus. University Park police officers regularly patrol the campus and augment SMU PD during emergencies. The University Park Fire Department (UPFD) is within six blocks of the SMU campus and provides fire fighting and emergency paramedic services to the campus. Through interagency agreements, the City of University Park, the Highland Park DPS, the Dallas Police Department and the Dallas County Sheriff's Department will also provide assistance if requested by the SMU Police Department.

REPORTING CRIME

Procedures for Reporting Crimes and Other Emergencies

All University community members and guests of the University are encouraged to report suspected criminal activity to the police as soon as possible. Fires, health emergencies, crimes, and violations of University policies and procedures should be reported to the SMU Police Department either in person at 3128 Dyer Street, Room 200, Patterson Hall, or by telephone by dialing 911 on campus or at 214-768-3333. Conspicuously placed, lighted emergency (Blue Light) telephones with direct lines to the SMU Police Department are located throughout the campus to facilitate reporting. The department also has an anonymous tips line where community members can leave information without providing their identity. The Hilltop Tips Line is 8-2TIP on campus or 214-SMU-2TIP from cell phones/off campus phone lines.

Reporting Crimes to Other University Officials or Counselors

Who Are Campus Security Authorities?

The Clery Act also mandates that institutions must disclose statistics both for crimes reported to local police agencies and crimes reported to campus security authorities. Campus security authorities include the following:

- A member of a campus police department or a campus security department of an institution.
- Any individual or individuals who have responsibility for campus security, but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).

- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, the following areas:
 - Vice President for Student Affairs
 - Dean of Student Life
 - Executive Director of Residence Life and Student Housing
 - All Head Coaches and Assistant Coaches for all areas in the Athletic Department.
 - All Associate Athletic Directors
 - Law School – Associate Dean for Student Affairs
- An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

The intent of including non-law enforcement personnel as campus security authorities is to acknowledge that many people, students in particular, are hesitant about reporting crimes to the police, but may be more inclined to report incidents to other campus-affiliated individuals.

Examples of individuals who DO NOT meet the criteria for being campus security authorities include a faculty member who does not have any responsibility for student and campus activity beyond the classroom, clerical staff, custodians and maintenance personnel and cafeteria staff. A pastoral or professional counselor on campus does not have significant responsibility for student and campus activity and are exempt from reporting crimes to the campus police. However, physicians and nurses of the Memorial Health Center who treat a victim of a violent crime that occurred on the campus or a facility, under the control of the university, must disclose the reported crime to the university police. They are not required to release the names of victims/patients.

Reporting Crimes Outside of the SMU Jurisdiction

The SMU Police Department makes a good faith effort to stay informed of all criminal activity involving students at off-campus locations. Surrounding municipal agencies, state law enforcement agencies such as the TABC, and federal agencies routinely inform campus police about incidents where their officers contact SMU students. Annually, the department also requests area agencies to provide crime statistics for those areas immediately adjacent to the campus boundaries. When received, these statistics are included in the Annual Security Report.

CAMPUS FACILITIES

Most campus buildings and facilities are accessible to members of the campus community, guests and visitors during normal business hours. Access to buildings after normal business hours, weekends and holidays is restricted unless they are sites for specific classes or special events. Some buildings may be accessed after normal business hours through prior approval of the building facility manager.

The exterior doors to all residence halls remain locked 24 hours a day. Unlimited access is available to residents of each particular facility via a card swipe access control system. Residence halls are randomly patrolled 24 hours per day by uniformed police officers. Residents are encouraged to report all suspicious people and activity to Residence Life staff or the SMU Police.

Visitors to the residence halls, as well as fraternity and sorority housing, must be accompanied by the resident being visited. Visitors to campus are welcome, but are expected to adhere to all campus regulations and policies. Visitors are encouraged to stop by the Police Department located on the second floor of Patterson Hall for information on university regulations. The University reserves the right to restrict the access of any person who does not adhere to University policies and procedures. ANY person may be required, upon request by the Police Department, to present identification while on campus.

Faculty, staff and students are required to have an SMU ID CARD in their possession at all times and to present their SMU ID CARD upon request by a University Official. The SMU ID CARD is available at the Park N' Pony Office located on the 2nd floor of the Hughes-Trigg Student Center.

Security cameras are positioned at several locations around campus including the entrances and exits of parking garages, some public plazas, libraries, and areas that contain high value artwork. These cameras are not monitored at all times; however, they are equipped to digitally record activity within the field of view. Presence of security cameras should not preclude individuals from practicing good, common sense crime prevention practices and exercising caution.

MAINTENANCE OF CAMPUS FACILITIES

University facilities, lighting, and landscaping are maintained so as to reduce hazardous conditions. The University also has emergency blue light phones installed throughout the campus. University Police Officers regularly test the emergency phones and submit work orders for those in need of repair. Officers also routinely report the need for replacement lights and any other physical hazard they note. Malfunctioning lights, emergency telephones and other unsafe conditions are reported to the Campus Planning and Plant Operations (CPPO) for repair or correction on a daily basis.

CRIME STATISTICS

Southern Methodist University has participated in the FBI's Uniform Crime Reporting Program since 1967. The following are the reported crime statistics, as defined by this act, for Southern Methodist University for 2004, 2005, and 2006:

POLICY FOR REPORTING THE ANNUAL DISCLOSURE OF CRIME STATISTICS

The Southern Methodist University Police Department prepares and distributes an annual security report for the SMU main campus, the SMU-in-Legacy campus and the SMU-in-Taos campus in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. These reports, published annually by October 1, contain three (3) years worth of crime, arrest and disciplinary referral statistics and outline security policy statements including sexual assault policies. The statistics include incidents occurring on campus, public areas adjacent to campus, and certain non-campus facilities including Greek housing and remote classrooms. The statistics are also gathered from the University Park Police Department, Highland Park Department of Public Safety, Dallas Police Department, Plano Police Department, Taos County Sheriff's Office in New Mexico and other University/College officials who have significant responsibility for students and campus activities (including but not limited to directors, deans, department heads, designated RLSH staff, student affairs, advisors to students/student organizations, athletic coaches).

The Southern Methodist University Police Department makes these reports available at no cost via the following Internet web pages:

SMU - Main Campus	smu.edu/pd/clerystats/2007/annualreport2007-Main.pdf
SMU-In-Legacy Campus	smu.edu/pd/clerystats/2007/annualreport2007-Legacy.pdf
SMU-In-Taos Campus	smu.edu/pd/clerystats/2007/annualreport2007-Taos.pdf

Students may request a printed copy of this report by contacting the SMU Police Department in person at the SMU Police Department administrative offices located at 3128 Dyer Street in Patterson Hall during normal business hours Monday - Friday. Students may also request a printed copy by calling SMUPD Administrative Offices at (214) 768-1582 or (214) 768-1348, via email at police@smu.edu, or by mail at the following address: Southern Methodist University Police Department, Attention: Annual Security Report Requests, P.O. Box 750334, Dallas, TX 75275-0334.

In addition to this report, the police department provides a daily crime log that may be viewed on the web at smu.edu/pd/dailyreport_default_page.asp.

SERIOUS CRIMES (TIMELY WARNINGS)

In order to keep the SMU community informed about serious crimes and security issues, timely warnings may be issued in the form of a Crime Alert. Crime Alerts are issued on a case-by-case basis in a manner that will provide notification to the campus community about certain reportable criminal incidents that occur on or very near the campus. The institution must also believe the criminal incident poses a continuing threat to the community and the alert will aid in the prevention of similar crimes in the future.

The crimes that typically result in a timely warning are referred to herein as "Clery Act Crimes". These crimes, as defined by 34 CFR 668.46(b)(c), are: Criminal Homicide, Forcible Sex Offense, Non-Forcible Sex Offenses, Robbery, Aggravated Assault, Burglary, Auto Theft and Arson.

These crimes must have occurred within those areas of the campus that are specifically defined in 34 CFR 668.46(a). These areas are broken down into the following categories:

- On Campus Property (includes Residential Facilities)
- Non-Campus Property
- Public Property

(Definitions for these categories can be viewed by visiting www.securityoncampus.org)

NOTE: SMU will not necessarily issue timely warnings for every Clery Act criminal incident that is reported since that specific incident may not pose a continuing threat to the community. Certain Clery Act crimes like motor vehicle theft, for example, occur infrequently on the campus at random locations. Suspect information is often never provided or determined. This is also true of the Dallas/Ft Worth area. Individuals should exercise due care and caution to avoid being victimized. Check out the crime prevention tips posted by the SMU Police to deter these crimes or attend a crime prevention briefing.

CRIME ALERT (OFF CAMPUS)

SMU may post a Crime Alert (Off Campus) for certain Clery Act crimes occurring outside the patrol jurisdiction of the SMUPD, when timely notification is received by the SMU PD and the offense is considered to represent a serious or continuing threat to the students and employees of SMU due to the nature of the crime, and/or proximity to the campus

Even though this action is not required by law, SMU strongly believes in supporting the spirit of the Clery Act by informing the community about certain crimes that are reported in the areas immediately surrounding our campus; yet still outside the normal SMU police patrol area.

When are Timely Warnings issued?

In accordance with the published guidelines used to interpret 34 CFR 668(e), the decision to issue a timely warning is made on a case-by-case basis in light of all facts surrounding the crime, including factors such as the nature of the crime, the continuing danger to the community, and the possible risk of compromising law enforcement efforts. Neither the Clery Act nor the Department of Education defines “timely”. The Department of Education has stated the warning should be issued as soon as the pertinent information is available.

SMU will attempt to issue the warning within 24 hours from the time the offense is reported to the SMU Police. Furthermore, timely warnings may be issued for other offenses not covered by this regulation if a determination is made that the warning will aid in preventing similar offenses from occurring.

How are Timely Warnings issued?

Timely warnings will be printed on brightly colored posters and distributed around campus in all residence halls, dining halls, academic buildings, administrative buildings, and parking garages. The SMU News and Information office may send out a campus wide email message containing the alert information if deemed necessary. The Daily Campus newspaper will also be asked to print the warning in the next available issue. Timely Warnings will also be published on the SMU Police Department web page (smu.edu/pd).

SAFE AND SOUND ADVICE - GENERAL SAFETY TIPS

1. Avoid walking alone, particularly after dark. Use the Safety Escort Service whenever possible. If walking alone is unavoidable, be aware of your surroundings and let someone know when to expect you.
2. Avoid shortcuts. The shortest route is not always the safest route. Walk along the mid-point, between curbs and buildings and away from alleys and bushes.
3. Dress for mobility, particularly after dark.
4. Avoid deserted areas, poorly lit streets, alleys and pathways.
5. Never jog alone.
6. When walking or jogging, go against the flow of traffic; that makes it harder for motorists to bother you. (If harassed from a car, walk or run in the opposite direction. Scream if you are truly frightened.)
7. Do not jog while wearing stereo headphones. It’s important to be alert to what’s happening around you.
8. Carry your personal belongings in a backpack or similar container that will enable your arms and hands to be free at all times.
9. Avoid approaching your car with bundles that restrict use of your arms. If you’ve been shopping, ask the store for assistance.
10. Always have your keys ready to unlock the door to your car or residence and enter without delay. Lock the doors after you get inside.
11. Before entering your car, look in the back seat and on the floorboard.
12. Always lock car doors and windows when you leave or enter your car.
13. Never leave belongings in plain view in your car. Lock them in the trunk.

14. If someone in a vehicle attempts to stop you, even to ask for directions, do not get close to the vehicle.
15. Register, engrave, mark, and/or photograph all your valuables including bicycles, stereos, jewelry, vehicles, computers, etc.
16. Never get on an elevator with someone who looks suspicious. If someone who looks suspicious gets on, get off immediately.
17. Avoid using ATM's in the dark, isolated areas; it's best to use machines that are highly visible in public areas such as supermarkets.
18. Never flash your cash. Always have "emergency" change for a phone call.
19. Be responsible with alcohol. If you are intoxicated, you are less alert and an easier target for robbers and attackers.

SECURITY IN THE RESIDENCE HALL

1. Never leave your door open, even if you will be gone for only a few minutes; especially, never leave a door propped open. Always lock doors, screens and windows to prevent uninvited access to your room.
2. Don't mark your room key or key chain with your name, address, or telephone number.
3. Do not give anyone a key to your room.
4. Do not leave valuables in plain sight.
5. Never let strangers into your hall. This puts you and others at risk.
6. Be aware of suspicious persons and activities. If you observe someone or something suspicious, notify the hall staff and the SMU PD at 214-768-3333.

NOTE: Calls to 911 from cellular telephones will be answered by the Dallas Police or the University Park Police. Students using cell phones should tell the 911 Operator they are calling from the SMU campus and need to speak to the SMU Police Department. The 911 Operator will immediately transfer the call to SMU.

FEDERAL LAW & CONFIDENTIALITY OF RECORDS

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal law that grants to students the right to inspect, to obtain copies, to challenge, and to a degree control the release of information contained in their education records. FERPA and its regulations are very lengthy. For that reason SMU has issued guidelines that are available to students in the Division of Enrollment Services. Policy 1.18 of the University Policy Manual, accessible on SMU's Intranet, also discusses this law.

In general, no personally identifiable information from a student's education records will be disclosed to a third party without written consent from the student. Several exceptions exist, including these selected examples: (1) Information defined by SMU as directory information may be released unless the student sends a written request to the registrar that it be withheld; (2) information authorized by student through Access.SMU Self-Service; and 3) information may be released to a parent or guardian if the student is declared financially dependent upon the parent or guardian as defined by the Internal Revenue Service Code.

If you wish to release or restrict access to your records, you must make the request through Access.SMU Self-Service or in writing. All SMU students are considered adults and must authorize release of all records to anyone, including parents. Students have the ability through Access.SMU Student Self-Service to grant parents or other individuals view access to their records. Students may fill out a form if they want their information released to a third party. Forms are available at http://www.smu.edu/registrar/forms_library.asp.

More information on FERPA is available on the Registrar's website at <http://www.smu.edu/registrar/FERPA/>.

SMU POLICY ON SEXUAL HARASSMENT

Southern Methodist University is committed to providing a work and study environment that encourages intellectual and academic excellence and the emotional well-being of its students, faculty, and staff. Circumstances, facts, and conduct that violate this policy contradict the University's educational philosophy and standard.

Southern Methodist University expressly prohibits sexual harassment of its students, faculty, or staff, or of applicants who seek to join the University community in any capacity.

SMU strives to provide an educational and working environment for its students, faculty, and staff free of intimidation and harassment. The unprofessional treatment of students and colleagues in any form is unacceptable to the University community.

- Educational materials and programs designed to increase awareness and understanding of sexual harassment and ways to prevent its occurrence
- Prompt, effective grievance procedures that are fair to both the complainant and the accused
- Appropriate sanctions
- Reasonable action to protect complainants and others participating in the proceedings against retaliation
- Counseling and consultation services by professional counselors for those involved in sexual harassment complaints
- Informal proceedings that safeguard the identities of the persons involved and the outcome of the proceedings

SEXUAL HARASSMENT

Definition

Sexual harassment includes, but is not limited to, such behavior as unwelcome sexual advances; requests for sexual favors; verbal or physical conduct of a sexual nature directed toward a student, member of the faculty or staff, or an applicant seeking to join the University community, particularly when any of the following circumstances is present:

1. Tolerance of sexual harassment is made an explicit or implicit term or condition of status in a course, program, activity, academic evaluation, employment, firing, or admission.
2. Submission to or rejection of sexual harassment is used as a basis for academic evaluation or an employment decision affecting such individual.
3. The behavior described has the purpose or effect of creating an intimidating, hostile, or offensive environment for work or learning, or unduly interfering with an individual's work performance. For purposes of this policy, "undue interference" is defined as improper, unreasonable, or unjustifiable behavior going beyond what is appropriate, warranted, or natural.

EXAMPLES

- Physical assault
- Direct propositions of a sexual nature
- Direct statements regarding submission with promise of reward (i.e., higher grade, promotion, etc.) or threats of reprisal
- Implied statements regarding submission to sexual advances with promise of reward or threats of reprisal (i.e., "Meet me tonight for a drink, and I bet we can take care of your grade.")
- Subtle pressure for sexual activity (i.e., "How would you like to go to a conference in Minneapolis with me?")
- Pattern of conduct (not legitimately related to office business or the subject matter of a course) that causes humiliation or discomfort, such as sexually explicit or sexist comments, questions, anecdotes, or jokes

CONSENSUAL SEXUAL RELATIONSHIPS*

Faculty/Student Relationships

It is a serious breach of professional ethics for a teacher to initiate or acquiesce in a sexual relationship with a student who is under the personal supervision of the faculty member. Therefore, Southern Methodist University prohibits consensual sexual relationships between a faculty member and a student enrolled in a course taught by the faculty member or whose academic work is supervised by the faculty member. This applies even when both parties appear to have consented to the relationship. A faculty member who is or has been involved in a consensual sexual relationship with a person should not enter into a student/teacher relationship with that person.

A consensual sexual relationship between a faculty member and a student, particularly when the faculty member is of power, will irreparably undermine the professional relationship between them. The issue of power and control over the student remains so strong in a sexual relationship that voluntary consent by a student is improbable and highly questionable. What one thinks is voluntary consent may be only forced consent that the hidden, subtle pressure stemming from the faculty member's position of power has transformed into a "voluntary" act. Such a relationship creates an inevitable conflict of interest when the teacher makes judgments about a student's work.

The appearance of impropriety to the University community, which such relationships produce, casts doubt on the faculty member's academic decisions concerning a particular student's performance, the faculty member's overall professionalism and credibility, and the genuineness of the student's accomplishments where the faculty member is directly supervising and teaching the student.

For purposes of this policy, a faculty member or a teacher is any member of the full-time or part-time faculty, a teaching assistant, an academic adviser, or any other person making academic judgments about a student's work.

* *"Consensual sexual relationships" may include amorous or romantic relationships, and the term is intended to indicate conduct between a faculty or staff member and a student that passes beyond what a person of ordinary sensibilities would believe to be a collegial relationship.*

STAFF/STUDENT RELATIONSHIPS

Consensual sexual relationships between staff and students are prohibited in cases where the staff member has authority or control over the student. Even where there is no power or authority of the staff member over the student, consensual sexual relationships are discouraged between the staff person and the student.

SMU GRIEVANCE PROCEDURES

The University has two levels of review - informal and formal proceedings. If after informal proceedings, the complainant and/or the person accused are not satisfied with the results, formal proceedings may be made.

Informal proceedings generally are handled by the alleged offender's principal administrator, in consultation with the Institutional Access and Equity officer.

Formal proceedings involving a:

- faculty member, teaching assistant, or other instructional personnel ... are submitted to the Faculty Senate Ethics and Tenure Committee for consideration;
- student ... are handled by the University Judiciary System;
- staff or other member of the University community ... are submitted to the vice president or person designated by the vice president, responsible for the unit in which the person is employed.

Details of these grievance procedures may be obtained from the Institutional Access and Equity Office or any administrative office, and are listed under the University Policy Op-00-011, Sexual Harassment and Consensual Relationships.

SMU POLICY ON SEXUAL ASSAULT

SMU is a community of trust whose very existence depends on adherence to standards of conduct. Student conduct that violates these standards is handled through the University Conduct Review Process. Cases of alleged student misconduct involving serious physical or psychological harm may be referred to an SMU Conduct Board. This includes cases involving sexual misconduct and/or sexual assault or attempted sexual assault. (What follows is a summary of SMU's policies and procedures on sexual misconduct and sexual assault. Please consult the Student Code of Conduct and the University Conduct Review Process section for these policies and procedures in their entirety.)

WHAT CONSTITUTES SEXUAL ASSAULT?

Sexual assault offenses include the actual or attempted intentional touching of an unconsenting person's intimate parts (defined as genitalia, groin, breast, the buttocks, or clothing covering them) or forcing an unconsenting person to touch another's intimate parts; rape; forcible sodomy; forcible oral copulation; and forcible sexual penetration, however slight, of another's anal or genital opening with any object. These acts may be committed by a stranger or by acquaintance and must be committed either by force, threat, or intimidation, or otherwise without consent.

EDUCATIONAL PROGRAMS THAT PROMOTE AWARENESS

The Coordinator of Psychological Services for Women will conduct educational programs on sexual assault for students through the Wellness Program, the Orientation Week Program, the Extended Orientation Program (EOP) in the residence halls, and seminars for specific groups as requested. In addition, confidential, ongoing counseling for student survivors of sexual assault is available with the Coordinator of Psychological Services for Women and can be arranged through the Counseling and Testing Center. Confidential, ongoing counseling for faculty and staff survivors of sexual assault is available through the Counseling and Testing Center on a fee basis.

WHAT TO DO IF YOU HAVE BEEN SEXUALLY ASSAULTED

Students, faculty, and staff are encouraged to report sexual assaults to the SMU Police Department, whether the assault occurs on or off campus, no matter who the alleged assailant is. Students may report sexual assaults to the SMU Police Department or the Dean of Student Life Office. Reporting a sexual assault to University officials or filing a police report does not automatically initiate criminal charges. It is important for persons who have been sexually assaulted to seek medical attention. The Coordinator of Psychological Services for Women is available to accompany students who have been sexually assaulted to the hospital and for counseling, if desired. A medical examination called a "Rape Kit Test," conducted at Parkland Hospital in Dallas, will help preserve important evidence of the sexual assault if the person who has been sexually assaulted decides later to prosecute.

HOW TO FILE A SEXUAL ASSAULT COMPLAINT

Persons with complaints of sexual misconduct and/or sexual assault allegedly committed by students, whether occurring on or off campus, should report such complaints to the Office of the Dean of Student Life. If the complainant wishes to proceed with formal charges through the SMU Conduct Review Process, an investigation is conducted, and the case may be referred to the SMU Conduct Board. *See University Conduct Review Process Section I.(B.) "Rights of the Complainants and Respondents" in this Student Handbook for details.*

Filing formal charges through the SMU Dean of Student Life Office does not preclude filing criminal and/or civil charges. Students who wish to file criminal and/or civil charges may receive information and assistance from the Office of the Dean of Student Life and the SMU Police Department.

CENTER FOR ALCOHOL & DRUG ABUSE PREVENTION

A primary mission of the Center is to assist SMU students who may be “at risk” or struggling with alcohol or other drug problems. The Center provides assessment, intervention, referral, short-term counseling, as well as on-going support for recovering students. Sessions with the Center’s licensed counselors are confidential and no information is released without written consent of the student.

STANDARDS OF CONDUCT

Alcohol: A) The Student Code of Conduct prohibits possession and consumption of alcoholic beverages in public places on campus. B) The University strictly enforces city and state law and prohibits the possession and consumption of alcohol by those younger than 21.

- Prolonged use can lead to severe psychological dependence.
 - An immediate increase in heart and pulse rate may cause a panic anxiety reaction.
 - Impairment of memory and learning, altered sense of time and inability to concentrate.
 - May cause apathy/loss of motivation.

- Cocaine:
- Increase in heart rate, blood pressure, and body temperature.
 - Chronic runny nose, infections and nosebleeds.
 - Overdose may result in seizures, heart failure, coma or death.

- Opiates:
- Rapid development of tolerance and physical dependence.
 - May cause infections of the skin, liver, heart and lungs.
 - Overdose can be fatal

- Tobacco:
- Shortness of breath, nagging cough, and heart difficulties.
 - Long-term effects may include emphysema, bronchitis, heart disease and cancer.

Personal Risks of Alcohol and Drug Use:

- Possible death or injury
- Academic problems
- Assault / sexual abuse
- Unsafe sex
- Property damage
- Legal / police involvement
- Health problems
- Dependence

SMU SANCTIONS

When the standards of conduct regarding alcohol and drugs are violated, SMU will impose, at a minimum, the following sanctions:

Alcohol: A minimum of a \$100 fine. Additional sanctions will be assigned as deemed necessary by the appropriate conduct officer or conduct board. Additional sanctions may include, but are not limited to, notification of parents and referral to the Center for Alcohol and Drug Abuse Prevention. (See The University Conduct Review Process section).

Drugs (illicit): Sanctions will be imposed by the appropriate conduct officer or conduct board. Possible sanctions include, but are not limited to: a fine of \$500, notification of parents, drug testing, suspension, or expulsion. (See The University Conduct Review Process section).

LEGAL SANCTIONS

Alcohol: Minors convicted in the criminal court system of possession or consumption of alcoholic beverages may be subject to fines, suspension of drivers license, community service and a mandatory alcohol education class. Convictions for providing to minors may subject individuals to fines and a jail term of up to one year. Convictions for driving while intoxicated may subject individuals to up to \$2000 in fines and a jail term of up to six months for a first offense. Fines and jail terms escalate after the first conviction.

Controlled substances (drugs): Sanctions upon conviction in the criminal court system for possession, distribution, or manufacture of controlled substances range from fines to probation to imprisonment. Amount of fines, terms of probation, or years of imprisonment generally are contingent upon the circumstances and amounts of drugs in possession, sale, distribution, or manufacture.

SERVICES AVAILABLE TO THE CAMPUS COMMUNITY

The mission of the Center for Alcohol & Drug Abuse Prevention is to provide students with a confidential source of help and information when confronted with alcohol or drug abuse or addiction issues; to promote activities and programs with student support to focus campus attention on the problem of alcohol and drug abuse and to help the student body claim ownership of alcohol and drug problems on campus and take charge of identifying solutions.

We offer the following services:

- 1) **ASSESSMENT:** We assess student problems with alcohol and other drugs, which may range from misuse to abuse to addiction.
- 2) **INTERVENTION:** By working with friends, family, faculty and staff, we reach out to students in trouble and provide access to appropriate help.
- 3) **SHORT-TERM COUNSELING:** As appropriate to the situation.
- 4) **REFERRAL/AFTER-CARE:** Based on our assessment, we assist students in finding specialized care.
- 5) **CAMPUS AWARENESS:** We work with student organizations to coordinate projects to focus attention on the dangers of alcohol and drug abuse and the problems of dependency.

- 6) **SUPPORT GROUPS:** Our office supports self-help groups and refers students to a wide range of support groups in the community, as dictated by the needs of the individual. We support on-campus AA meetings and have regular contact with other 12-step groups.
- 7) **EDUCATION:** Presentations are given about alcohol and other drugs, chemical dependency and substance abuse topics. The Center utilizes social norms marketing to correct student misperceptions about alcohol use.
- 8) **TRAINING:** Students, faculty and staff are trained to deal with others they believe may have a substance abuse or dependency problem.
- 9) **PEER EDUCATORS:** SMU supports a peer education program in which students provide prevention education on campus and in the surrounding community.

Additional information is available at the Center for Alcohol Drug Abuse and Prevention, Memorial Health Center, second floor, from 8:30 a.m. to 5:00 p.m. Monday through Friday; 214-768-4021.
